There is more Catarrh in this section of the country than al other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronpunced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F.J. It acts directly on the blood and nucous surfaces of the system. They offer one hundred dollars for any case it falls to cure. Send for circulars and testinonials

About the State

The Ludlow Baptist church has extended a call to Rev. J. Harrison Thompon of Holvoke, Mass.

The Saxe place in Highgate, the old nome of John G. Saxe, the Vermont poet, has been repaired and restored, yet all the old features retained.

While Ambrose A. Snow was burnng brush on his farm in South Dorset Wednesday afternoon, the wind carried t into the grass and set fire to his barn. This communicated with his house and the whole property was destroyed. Besides the buildings Mr. Snow also lost a quantity of stock. Some of the furniture was saved.

The Charles W. Swift house at Old Bennington has been bought by Hon. C. E. Patterson of Troy, N. Y., at a onsideration around \$10,000. The house was built in 1775 by Col. Nathaniel psyche knots, clusters, nets, rolls, Brush in command of a regiment at the and Billie Burke curls.—Woman's Home battle of Bennington. In 1778 the house Companion for May. came into the possession of Moses Robinson, eldest son of Gov. Moses Robinson. The house is located on the west side of the Parade and is a valued old landmark. Mr. Patterson makes it permanent summer home.

In connection with the history of ninute men of '61 as printed in the Boston Globe, is given the name of Col. George T. Childs, now serving his second term as postmaster in St. Albans, who was one of the first men to respond to President Lincoln's first call for troops, enlisting April 19, 1861, at the age of 18 years in the Charlestown City Guard, 5th Massachusetts. He par ticipated with his regiment in Bull Run and was captured during retreat by the Black Horse cavalry of Virginia. He was sent prisoner to Richmond, where he was released in 1862. With captain J. H. Greggs, Colonel Childs is the only survivor of the 5th regiment, who were captured and imprisoned.

LOST AND FOUND.

A WOMAN TO BE PRETTY

Must Have Luxuriant and Glossy Hair, No Matter What Color.

The finest contour of a female face, the sweetest smile of a female mouth, loses something if the head is crowned with scant hair. Scant and falling hair, now known, is caused by a parasite that burrows into the scalp to the root of the hair, where it saps the vitality. The little white scales the germ throws up in burrowing are called dandruff. To cure dandruff permanently, then, and to stop falling hair, that germ must be killed. Newbro's Herpicide, an entirely new result of the chemical jaboratory, destroys the dandruff germ, and, of course, stops the falling hair, and prevents baldness. Sold by leading druggists.
